Description

Folkes 42 Steel Bluewater Cruiser – Turn-key Pacific Liveaboard

Now Priced to Sell! -Location:Vuda Marina, Fiji

Coastal Drifter is a proven 42' steel bluewater cruiser designed for serious offshore sailing and comfortable long-term living aboard.

Built in 2006 and having logged over 8,000 offshore miles from Canada to the South Pacific, she is a capable, ocean-tested vessel ideal for couples or adventurers ready to cruise now.

Why Coastal Drifter Stands Out:

- Heavy-duty steel hull for strength and offshore confidence
- Proven Pacific passagemaker
- Fully equipped for liveaboard life
- New Beta Marine diesel engine (well-maintained)
- Solar power and cruising systems installed
- Located in Fiji – begin your Pacific adventure immediately

She is being offered as a turnkey package including onboard equipment, tools, galley inventory, and cruising essentials — making her a rare opportunity to step aboard and sail away without major additional investment.

For buyers seeking a strong, capable cruising platform at an accessible price point, Coastal Drifter represents exceptional value in today's market.

Serious inquiries invited. Owners are motivated and ready to transition to her next chapter.

A full out of water survey was carried out in Fiji (May 2024) and is available on request.
