Description

Fountaine Pajot Lavezzi 40ft catamaran, built and launched in 2004 but everything else is almost brand new. Read on.

Exclusively for sale with DBY Boat Sales, this 4-cabin layout with 2 private bathrooms has had almost every major item replaced in the last 1-2 years, including the two larger optioned 2023 Yanmar 3YM30 hp diesel saildrives, now showing very low hours and still under factory warranty. The lithium house bank of batteries was replaced 2023 plus the 2 engine crank batteries were also renewed. Both engines were matched to 2023 feathering Max props.

Internally, all mattresses were renewed 2023 with memory foam. Both Isotherm refrigerators were renewed 2023. The majority of the standing rigging was replaced in 2015 with numerous quality additions since then such as all the running rigging 2023 and sails are 2021. All the nice bluewater cruising goodies are onboard, large solar panels x 4, downwind sails, dinghy and 15hp Yamaha outboard on davits, 2 x liferaft and extensive safety gear, full cockpit camping covers. Cockpit canvas, clears enclosure which doubles as a rain catcher, modern Raymarine electronics, Iridium Go, AIS, Icom VHF with DCS. The list goes on.

An extensive amount of spares, manuals, redundant systems are all included. Fountaine Pajot built around 250 units of this very popular model and this one has to be the best example available that we have seen.

For full inventory and to arrange an inspection +61 2 9999 3311 or email sales@dbyboatsales.com.au

Features
