Description

FREEDOM EXPRESS 39 — HOPALONG

Exclusively for Sale with DBY Boat Sales | Fiji

A beautifully proven Ron Holland-designed Freedom 39, ready for her next adventure.

HOPALONGis a superb example of the Freedom Express 39, combining contemporary design, exceptional sailing performance, and the simplicity of legendary freestanding Freedom carbon-fibre spars.

Solidly built and exceptionally easy to handle by one or two people, HOPALONG is equally suited to extended cruising, island-hopping or comfortable live-aboard life. With all sailing controls led aft to the cockpit, uncluttered decks and an easy-to-manage sail plan, she offers a wonderfully simple and enjoyable sailing experience.

The Freedom concept really comes into its own under way — to tack, simply turn the wheel. No shrouds, no backstays and no complicated array of lines to manage.

Her sails are in good condition and fully battened, while her proven cruising history demonstrates that HOPALONG is ready to continue exploring.

DECK & COCKPIT

The deck is defined by Freedom's iconic carbon-fibre main and mizzen masts, withnoshrouds or backstays to clutter the deck. All control lines are led aft to the cockpit for effortless handling.

Highlights include:
- Brand-new 2026 large bimini and dodger, never installed
- Flexible solar panels mounted on the bimini
- Dodger with integral stainless-steel grab rails
- Brand-new 2026 hatch glass with solar fans
- Double lifelines with port and starboard opening gates
- Six large aluminium cleats
- Teak handrails on the cabin top
- Fold-down, drop-leaf cockpit table
- All sail controls conveniently led aft

The result is a clean, safe and remarkably easy-to-manage deck — ideal for short-handed cruising.

ACCOMMODATION

Below decks, HOPALONG offers generous space, excellent natural light and a thoughtful layout designed for comfortable cruising and extended stays aboard.

Forward Owner's Cabin

16 Princes Street Newport NSW 2106

The spacious forward cabin features aking-size V-berth at the head, generous storage and two hanging lockers. A passageway door provides privacy, while an opening port and hatch provide excellent ventilation and natural light.

The chain locker is accessed from the forward cabin.

Head & Shower

The head and shower are conveniently located immediately aft and to starboard of the owner's cabin.

Main Salon

The generous main salon is bright, comfortable and highly versatile.

To port are two upholstered swivel barrel chairs, with a built-in table and bar. Additional storage is provided by both hanging and standard lockers.

To starboard is a large U-shaped settee and dining area. The dinette can be configured to accommodate two additional club chairs, allowing the salon to comfortably seat up to six people.

Outboard to port and starboard are full-sized pilot berths, each fitted with high teak lee boards and lee cloths — providing excellent additional sleeping or lounging space.

Large cabin-trunk windows and overhead opening hatches provide abundant light and ventilation.

Galley & Navigation

Continuing aft, the galley is positioned to port, with the navigation station to starboard.

Further aft are full-sized quarter berths, providing accommodation for two additional people.

Throughout the vessel, the impressive 6'7" headroom contributes to an unusually spacious interior for a yacht of this size.

Additional comfort features include:
- Caframo 757 fans installed throughout
- Ship's clock and barometer in the main salon
- Generous storage throughout
- Multiple opening hatches and ports for ventilation

PROVEN CRUISING HISTORY

HOPALONG is not simply a yacht prepared for cruising — she has already demonstrated her capabilities across the Pacific.

Her recent cruising history includes:
- 2022:Mexico to Tahiti
- 2023:Cruising the Society Islands

• 2024:Society Islands to Fiji
• 2025:Cruising the Yasawa Group, Fiji

She is currentlyon the hard at Vuda Marina, Fiji, and is ready for her next owner and next adventure.

A FREEDOM 39 WITH A DIFFERENCE

For sailors looking for a capable cruising yacht that can be handled without a large crew, HOPALONG presents an exceptional opportunity.

Her combination of Ron Holland design, proven Freedom carbon-fibre freestanding spars, uncluttered decks, short-handed sailing capability, spacious accommodation and genuine Pacific cruising history makes her a particularly attractive proposition.

Fast, comfortable, easy to sail and ready to go — HOPALONG is a Freedom 39 built for adventure.
