Description

2012 Grainger designed 38-foot Mystery Cove MK2 now for sale exclusively with DBY Boat Sales.

Papillon DesMers was professionally built in 2012 by Ateliers Marine in Canada for the owners at the time that sailed her to Australia.

She cruised extensively by the family of 4 to some of the furthest reaches of the globe including the North Atlantic, South America and the Pacific. Currently owned by another family that has used her more locally since purchasing around 4 years ago.

She is a performance cruiser with mini keels with no expense spared on comfort, safety, and equipment.

Papillon Des Mers features 3 generous double cabins, a comfortable well-appointed galley in the port hull which allows a super impressive and large lounge, dining, and navigation areas.

Outside a good size cockpit with substantial arch which keeps dinghy high on davits whilst also supporting a massive solar array for charging the large capacity lithium battery bank.

She has been designed to deliver the ultimate cruising dream. Ready to set sail again beginning her next chapter.

Call 02 9999 3311 or email us sales@dbypoatsales.com.au to arrange an inspection that won't disappoint.
