Condition	Used	State	New South Wales
Suburb	BAYVIEW	Engine Make	Yamaha

Description

Well appointed 1996 model Grainger 920 Trimaran now for sale.

Great example of a proven Grainger designer high performance racer/cruiser trimaran.

This particular boat is well known amongst the multihull community as a fast racing boat but equally well equipped for those overnight stays in quiet bays.

She is a proven off shore racer and ready to go with large sail inventory and recent upgrade (Nov 2015) to rig including standing rigging, diamonds and halyards and current Cat 3 safety gear.

With a late model Yamaha 4 stroke 9.9 hp outboard withBig Footprop that retracts neatly up onto the aft deck and remote controls in the cockpit, she is certainly great value and worthy of an inspection.

Features
