Description

Grand Banks 32 trawler, circa 1980 is now exclusively for sale with DBY Boat Sales.

REDUCED!! MOTIVATED SELLER!!

This is a stunning example of the classic Grand Banks 32. She had a major overhaul in 2008 which included a full professional upgrade to the electric systems and conversion to the popular Cummins 180hp turbo charged diesel engine.

"BANKSIA" is fitted with a bow thruster for ease of manoeuvring and has anchor controls at the helm and on the bow and up on the flybridge.

The interior large teak floored cockpit and surrounding warm timbers give an immediate feel of home, perfect for relaxing, entertaining and taking in the views over a glass of wine on those weekends away.

The private owners cabin and a saloon conversion for additional sleeping on occasions when required. The galley is very neat and functional with a 2-burner stove and microwave oven. A large deep 12 volt chest freezer is fitted on the aft deck.

The flybridge offers a second helm position, great views and a lot more space for sitting out in the sun and entertaining, plus the seats are long enough to stretch out and relax on whilst upstairs.

There are extensive, quality covers all around the boat. The interior upholstery is in well above average condition and presents like new, mattresses included.

Recent engine service and antifoul in August 2026.

A detailed inventory is available, and inspections are encouraged as this little gem will be sold promptly. Email sales@dbypoatsales.com.au or call us 02 9999 3311 to arrange.
