### Description

Greenline 33 proudly offered for sale by DBY Boat Sales.

The Greenline 33 is arguably the most awarded yacht in history. She was the first model in the now hugely popular Greenline Fleet which has been running for 16 years.

Sea Jay is well suited for Pittwater/Sydney Harbour/The Bay. Powered by a diesel shaft drive engine with bow and stern thrusters, it makes a fantastic weekender. Features include full walk around decks, drop down transom, full size fridge freezer, double berth, separate head, solar panels and front sun lounge.

This Greenline 33 Diesel is a very economical, comfortable family cruiser, with plenty of room to entertain and bask the summer evenings away. Combined with a very comfy bespoke queen innerspring bed in the bow, with dual access en-suite, makes her a very comfortable overnighiter. The saloon is light and spacious allowing conversion into a second double berth and galley creates an indoor / outdoor alfresco setting.

Sea Jay has been very well maintained by her current owner, and is well equipped with a modern Raymarine plotter, Tri Data and VHF.

- Q Service 14/8/2024
- Antifouled - including Prop speed on metal running gear
