Description

This Haines Signature 610 is a 2003 model but with a 2020 model outboard!!

"SCAMP"is exclusively for sale with DBY Boat sales and will impress the fastidious boat buyer.

Scamp was launched in 2003 and has been with its current owners since 2005 and they have pampered her all of those years on Pittwater whilst alongside the family waterfront home with deep water jetty.

The Haines Signature 610, known for their big boat features and go-anywhere boat comfort, experience, sweet handling and ride.A party boat, a family boat, a fishing boat, a dive platform, (deep swim ladder) a ski boat, wakeboarding, all round entertaining, and is easily trailerable by most family wagons/4wds. (No Trailer included) The boat has a lot of room with plenty of comfort and ticks many many boxes.

The Variable deadrise hull of the Signature series is impressive! It rides the small chop of harbours and secluded bays, and also the big swells of the ocean equally. Trolling or planing, its all too easy for a Haines Signature hull.

Haines Signature 610C. Presenting in remarkably good condition due to her fastidious owner. A true credit to the current owner. If you are in the market for a good size, all round trailerable boat, with the ever-famous ride of a Haines signature, this one in particular is a must see...

From tubing and skiing the inland lakes and rivers, to out past the continental shelf, trolling for the fish of a lifetime. All bases are covered with this Haines Signature 610.
