Description

Hallberg-Rassy 370 - THE VERY LATEST HALLBERG-RASSY

The Hallberg-Rassy 370 is an all-new design that may be ordered immediately.

<https://www.hallberg-rassy.com/yachts/hallberg-rassy-370>

You will receive a fixed delivery date and a fixed price.

As usual with recent Hallberg-Rassys, this is a yacht that combines the latest in design with a classic touch. The hull shape is modern and efficient, the sheer and proportions are classically beautiful.

There is a long list of features that are new for this size class.

In terms of sailing, this yacht will offer plenty of comfort and sailing joy.

The rig is sturdy, easy to trim and to handle. A self tacker is an option.

New in this size class is that the mainsheet system with track is located in front of the windscreen so that it does not get in the way of activities in the cockpit. Also new, the jib sheet track is located on the cabin roof for even closer angle upwind sailing.

SPECIFICATIONS FOR BASE BOAT: Numerous options available.

according to specification with the following equipment installed:

Insulated water heater, 40 litres, 230 V immersion heater

Seldén jib furling system under deck, Furlex

Electric shower waste pump for separate shower

Mainsail with battens and genoajib

PU teak on toe rail, in cockpit and on stern step

Integrated bowsprit for gennaker

Deck water drained below waterline to avoid staining of the hull

Backstay tackle purchase 1:48

Three flush mounted deck hatches

Raymarine i50 Speed, i50 Depth and i60 Wind

Six opening portlights

The interior is spacious and airy and is offered in classic Khaya mahogany or light European oak.

GENEROUS SALOON

The saloon berths are 2.04 m long and there are double skylight hatches for light and ventilation.

The hull portlights at eye level are made of tempered glass for durability and scratch resistance. On the starboard side there is a choice between a traditional straight sofa or the exceptionally comfortable Hallberg-Rassy armchairs, a first for this size class. Forward of the armchairs there is an extra bar with bottle storage. In the forward cabin you have the choice between a 2.04 m berth up to the hull side, with seating, two vanities and a hanging locker, or, another first for this size class, a centreline berth, with seating, vanity, hanging locker and plenty of storage space.

Aft there is a comfortable and airy 2.04 m double berth with storage space, shelf with high fiddle, seat and hanging locker.

By the companionway there is a spacious head area with wet locker and a separate shower with acrylic glass screens.

Galley Notes

The galley is large and in addition to the standard top loader refrigerator, new for this yacht size, there is the option of getting a front opening fridge and also a top loading freezer box in the seat of the work table. Alternatively, a front loading refrigerator can be swapped for a dishwasher. Opposite the galley is a work table with seat and a concealed electrical panel.
