Description

2002 Hallberg-Rassy in excellent condition now for sale in Fiji.

Designed by German Frers, the Hallberg-Rassy 53 combines modern styling and a performance hull but still retains that timeless elegance that is the hallmark of the range.

The interior layout provides the space and comfort of a luxury floating home. Beautiful teak, satin finished, smooth, rounded, warm to the touch and soothing to the eye, the interiors of these boats are superb.

The layout is designed to allow unimpeded access from bow to stern, in a smooth line with no obstructions.

The engine room is a generous, walk-in compartment, with ample room to work around the six-cylinder engine. The Westerbeke generator and pumps for the Enwa water-maker are located in the engine room, with easy access to all systems.

With her powerful rig set up for true push button sailing for utmost ease and safety, the Hallberg-Rassy 53 is one of the most comfortable and capable long range voyagers where distance is no object.

Blue Raven has crossed the Atlantic and Pacific, has been well maintained and is fully equipped for extended voyaging. She is in ready to go condition for further serious World cruising.
