## Description

Halvorsen 31 HMG  MARA exclusively for sale with DBY Boat Sales.

Built in 1972 this well regarded solid GRP coastal cruiser is the perfect design for livaboard exploring of our amazing coastal and inland waterways.With here easy handling and only 4ft draft she is perfect to have in front of some of the shallower waterfronts.No problems if she nudges the bottom at low tide.

The draft also suits exploring into the shallower inlets and anchoring in nice and close.

Mara's volume is massive for its size with ample room in both interior and cockpit that rivals boats close to 40ft.

Mara is beautifully presented and is certainly the best HMG 31 we have had for many years.

Her owner as kept her in tip top condition .She is dry and comfortable.
