Halvorsen & Gowland HMG 30, Helen, is a solid GRP coastal sailing cruiser that is perfect for those wanting to explore our inshore and coastal waters and is exclusively for sale by DBY Boat Sales.

Her shallow draft is unique and allows easy passage in many areas where most boats cannot travel. Perfect for the coasts and numerous bar crossings and inlets.

This design also suits those with shallow and tidal marina berths, and she can happily sit on the bottom on her long keel.

For a 30ft yacht the exterior and interior space will amaze. The cockpit is as big as on many 40ft yachts and the interior is big volume and bright and airy. Great for entertaining.

Set up to easily sail shorthanded.

She is powered by a low hour and well maintained Yanmar diesel.

Features

Designer	Trevor Gowland
Builder	Lars Halverson Sons
Water (Potable) Capacity (l)	80L
Hull Construction Material	GRP
Hull Type	FULL LENGTH KEEL
Deck Construction Material	TEAK
Country Origin	AUSTRALIA
