Description

Hans Christian 43T. REDUCED!!

The Hans Christian 43T MK2 TONDELAYO is now for sale exclusively with DBY Boat Sales.

This design is a proven, high quality production cruising yacht and would suit those dreaming of a serious blue water adventure. This T version features the Telstar keel which improves manoeuvreability and performance.

One thing that the Hans Christian is renowned for is her stability when offshore. This is achieved by her substantial construction and low deep profile.

Sailing wise she is easy to handle with a self-tacking staysail on boom, cutter rig configuration, and all main control lines lead back to the huge and comfortable cockpit.

I know of no other 43ft cruising boat with the stiffness quality she exhibits. In a rolly anchorage it will amaze you how little she moves compared to those around you.

TONDELAYO has been kept to a very high standard by her fastidious owner. The teak work and timber is showroom standard.

The included equipment list is extensive, and many recent upgrades have been completed.

Last antifouled in 2023 with an out of water survey for insurance conducted and available on request.

Date rig last inspected: 2022.

Date of last survey: 2023

Date of last slip: 2023

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please emailsales@dbyboatsales.com.au.
