Power Type	Sail	Stock Number	PWHF303085
Condition	Used	State	New South Wales
Suburb	NEWPORT	Engine Make	

Description

Herreshoff 30 Ketch built circa 1975 now for sale with DBY Boat Sales.

The 15hp Yanmar diesel which has been serviced in December 2019 is only 3 years old with around 250 hours showing on the meter.

An almost complete restoration has been done and she is in very good condition throughout.

She has sailed in from the USA 2 years ago and has enjoyed local Pittwater sailing since then. A yacht with eye catching lines and a heritage that can't be matched with today's boat building styles.

A full fibreglass hull from the new teak cap rails down to the bottom of the encapsulated lead keel.

Decks are timber and have been coated in waterproofing Emerclad. Freshly painted throughout.

The large butterfly opening hatch over the main salon oozes natural light and airflow plus there is plenty of opening ports and additional deck hatches.

A good wardrobe of sails, electric anchor winch, basic galley, electric toilet complete this ready to go timeless classic.

Features

Designer	Herreshoff
Water (Potable) Capacity (l)	150 (2 tanks)
Hull Construction Material	GRP
Hull Type	Mono
Deck Construction Material	Marine ply coated in waterproofing Emerclad.
