Description

HIGHFIELD INFLATABLES

From weekend explorers to fearless adventurers, from families seeking the perfect day on the water to light commercial crews, we have a Highfield for every journey, every lifestyle, every horizon".

DBY Boat Sales are proud to now be able to offer the range of quality new Highfield Inflatable boats including:

ROLL UP Ship-to-shore dinghies that pack down small for effortless stowage aboard any yacht or sailboat, available with an aluminium or airmat deck. Simple, lightweight, and genuinely durable – the ideal entry-level boat for sailors wanting a no-fuss, easy-to-store tender without compromising on build quality.

- Roll Up: RU250KAM (PVC or HYP) - 2 colour options
- Roll Up: RU320KAM (PVC or HYP) - 2 colour options
- Roll Up: RU280AL (PVC or HYP) - 2 colour options

- ULTRALITE Highfields lightest RIB tenders are engineered for owners who need maximum durability at minimum weight. Open-deck design keeps things simple and easy to handle, launch, and store. Perfect for smaller tow vehicles, lighter davits, or sailors prioritising every kilo saved without sacrificing rugged reliability.

- Ultralite: UL260 (PVC or HYP) - 2 colour options in stock, further colours available
- Ultralite: UL290 (PVC or HYP) - 2 colour options in stock, further colours available

Featured* - Ultralite: UL310 (PVC or HYP) - 2 colour options in stock, further colours available

*FEATURED: Ultralite UL310 Specifications:

The UL310 gives you the confidence to explore your coastline further. Its simple layout is combined with an uncluttered design, giving you the space for everything you need out on the water.

Overall Length: 3.13m

Internal Length: 2.24m

Overall Width: 1.72m

Internal Width: 0.79m

Dead Rise: 15°

Tube Diameter: 44cm
