## Description

SOLD - This beautifully presented, marina based and maintained 2005 Hunter 33 is now for sale.

She has enjoyed private ownership only but is built to survey.

The Hunter 33 features a spacious and light main cabin seen only in boats of much larger size.

Accommodation is in two substantial double cabins with another single berth available in the main cabin.

She is powered by a low hour, upgraded 29hp Yanmar diesel engine to ensure great performance under power.

This boat is set up for short handing with furling headsail, furling mainsail and a Raymarine 4000 autopilot.

Really good buying for someone wanting turnkey sailing with nothing needed to spend.

---
