Description

Hunter 33 (2005) 'ORISON'

This beautifully presented, 2005 model, two cabin layout and meticulously maintained Hunter 33 is now exclusively for sale with DBY Boat Sales.

She has enjoyed private ownership only but is built to survey and was recently put into Survey Class 2E so there is an opportunity to make some profit from chartering her out.

The Hunter 33 features a very spacious and light main cabin, usually seen only in boats of much larger size.

Accommodation is in two substantial double cabins with another double berth available in the main cabin.

She is powered by a low hour (274 hours), upgraded 29hp Yanmar diesel engine to ensure great performance under power.

This boat is set up for short handing with in mast furling headsail, furling mainsail and a Raymarine 4000 autopilot.

Excellent buying for someone wanting turnkey sailing with nothing needed to spend and maybe picking up some return on investment through chartering possibilities.

For a full inventory plus additional photos and/or to arrange an inspection, call +61 2 999 3311 or email sales@dbyboatsales.com.au
