Condition	Used	State	New South Wales
Suburb	NEWPORT	Engine Make	Yanmar 3JH5E

Description

Hunter 376 ARTEMIS exclusively for sale with DBY Boat Sales.

The Hunter 376 is a popular design and sought after boat for cruising and racing. This 1996 model is fresh from a September 2024 slip, antifoul, speed and depth transducers replaced, a new steering quadrant and full engine service.

Artemis is a well-equipped cruising boat with a proven ocean-cross track record (her first owner sailed her from USA to Sydney and then Asia) and is a pleasure to sail. All lines are handled from the cockpit, and with 6 Lewmar 40 winches, and Raymarine autopilot, this boat is very easy to sail even self-handed.

Recent improvements include a new spray dodger and connecting top between dodger and Bimini, giving full coverage on the cockpit. The current owners are upsizing and so its now time for someone else to enjoy this beautiful boat!

The engine was replaced in 2015 and has been well looked after and still only has 750 hours to date. The engine was fully serviced by Yachtech Diesel Services in September 2024, including replacement of oil, oil filter, fuel filters, impeller, and coolant.

Inside, the Hunters design is amazing, with a fully equipped L shaped galley to starboard with gas cooking, fridge and freezer; head with shower to port, and a roomy saloon with a settee that converts to a huge double bed after lowering the teak table. Artemis sleeps 8/9 and is super comfortable for a couple or a family, with 3 double cabins plus the convertible saloons double. On the port side is the navigation table and a comfortable 3-seater that converts to 2 lovely individual settees with a coffee table in between.

A new aqua-T Silent electric head with separate Johnson pumps for inflow and outflow water and high quality sanitary hoses were installed in 2022.

The sails are well used but still in reasonable/good condition. The boat comes with 2 headsails, main asymmetric spinnaker with new sock, symmetric spinnaker and pole.

She has an ICOM HF and VHF radio, full instruments 240 volt air conditioning for those steamy nights in a marina

connected to shore power.

Artemis was antifouled in September 2024. Her engine was serviced, hull painted and polished, all seacocks and skin fitting checked/replaced as needed. New Raymarine speed and temperature and depth sensors were also installed in September 2024.

Artemis is ready to move aboard and head North this Winter or just relax and enjoy her locally. She is well worth an inspection.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please email sales@dbyboatsales.com.au
