Suburb	BOTANY	Engine Make	

Description

Huon Pine 43 ft cutter from circa 1930's is in outstanding condition and now for sale exclusively with DBY Boat Sales.

Coming out of the water 22nd March. Arrange your inspection now!

Powered by an 80hp Ford Lehman with velvet drive hydraulic gearbox. Recently serviced and extensive overhaul was done a few years ago. A Honda portable gen set is included and provides 240v and additional battery charging when required.

Her decks are made from beech timber and present in top condition. Due to the wide spaces around the coach house, she is easily navigated around all areas on the relatively flat decks.

Australian registration is included and a nice bonus as she will quite likely be taken into the Pacific areas or beyond.

The sails are all in good condition and the standing rigging is known to be 10 plus years old.

Navigation and electronics are all in good working order and are mainly Raymarine with duplicate systems inside the coach house.

Down below she can accommodate up to 8 persons, configuring a cosy V berth private double and another double converts from the settee table. 4 single bunks are scattered throughout and make additional sleeping quarters or lounge areas.

Features

Hull Construction Material	Huon Pine
Hull Type	Mono
Deck Construction Material	Beech
Country Origin	Australia
Length (feet)	43 feet plus bow sprit
Length (m)	12.8
Number Of Engines	1
