Description

Irwin 54 ALILA is a Ted Irwin designed centre-cockpit cutter proudly offered for sale with DBY Boat Sales.

ALILA is a Ted Irwin-designed Owner Version center-cockpit cutter, with three cabins and two heads, including the ensuite master stateroom. She can easily accommodate 8 people with the two extra-long settees in the main saloon.

Irwin is known for being easy to sail shorthanded with more space above and below deck than you will find on most other yachts of the same size. Charter companies throughout the Caribbean have used Irwin yachts for 30 years for their simplicity, spaciousness, and easy-to-maintain fiberglass decks.

Currently in French Polynesia—with all taxes fully paid and the option to stay indefinitely—ALILA is ready to be your next safe, self-sufficient, and adventure-ready home on the water.

PRICE: 249.000€ OR BEST OFFER

Why ALILA stands out:

1. If you are serious about cruising the world in comfort and safety, and are looking for a proven world-class circumnavigation yacht, then ALILA is not to be missed.
2. Few boats have the level of redundancy and upgrades that we have put on Alila. She offers amazing comfort and can be sailed by two people easily in any weather condition. All lines run into the cockpit, and she has 2 large electric winches and a manual winch on the mast.
3. She has enormous room both topside and down below, and has been well taken care of. ALILA is the only Irwin 54 with a unique and charming covered dining area on the aft deck.
4. Self-sufficient for months – designed for long-term, off-grid cruising.
5. Easy single-handed sailing – perfect for solo adventurers or families.
6. Bright, spacious interior – comfortable living spaces with excellent natural light.
7. Workspaces for digital nomads – stay connected with Starlink while exploring the world.
8. Meticulously maintained – fully equipped and ready to sail today.

Where will you take her?

ALILA has safely carried her current owners across half the world, through the Atlantic and Pacific Oceans, proving herself a trustworthy, ocean-going home. Now, she’s ready for her next great adventure—with you.

Inspection highly recommended.
