## Description

Island Packet 45 – Proven Bluewater Cruiser, launched 1998.

Island Packet 45 'CURIOSITY' exclusively for sale with DBY Boat Sales.

REDUCED!! MOTIVATED SELLER!!

Constructed with Island Packet's robust full-foil keel and solid laminate hull, she offers outstanding directional stability and protection offshore, while her moderate rig and cutter-style sail plan make her easy to manage by a short-handed crew. The Island Packet 45 is equally at home on ocean passages or extended coastal cruising.

Below decks, the Island Packet 45 features a warm, traditional interior with abundant natural light, excellent ventilation, and generous headroom throughout. The spacious saloon provides comfortable seating for dining or relaxing, complemented by a well-equipped galley designed for safe use at sea. Accommodation includes a large owner's stateroom, guest cabin, and multiple electric heads with holding tank, making her ideal for couples, families, or extended cruising.

On deck, the wide sided decks, deep cockpit, and substantial deck hardware enhance safety and ease of movement, while abundant storage ensures everything has its place for long-distance cruising. Known for her heavy-weather capability and forgiving motion, the Island Packet 45 inspires confidence wherever she sails.

Fully equipped by the current owner for long term comfortable cruising, extensively refurbished in 2021 and 2022 for long term extended range blue water passage making.

Australian Registered a bonus.

Lots of spares.

Highly regarded for her build quality and enduring value, the Island Packet 45 remains one of the most desirable true cruising yachts in her class.
