Description

This 2007 Jeanneau 42i yacht is for sale in fantastic condition and ready to sail locally or over the horizon.

She is a stylish performance cruiser that sports good looks that will deliver solid performance under sail with convenient features like an in-mast furler, furling head sail. The boat is well set up for short-handed crew. All sail-control lines run aft from the mast, through organizers to clutches and Harken winches on either side of the companionway. Harken primary winches are mounted just ahead of each of the twin helms.

The two wheels make it easy to find a comfortable spot from which to steer, watch the telltales, or monitor other boats in your vicinity.

Great interior space with two double cabins, one large closed off storage cabin that could be converted to a quarter berth, two bathrooms, tons of storage lockers, generous galley area, great saloon seating around the large dinner table. The inventory is extensive to cater for extended cruising.

The deck layout of the 42i is user-friendly. Stepping aboard across the swim platform, there's built-in storage for a six-man life raft, a drop-leaf cockpit table folds up for entertaining or down to leave lots of room in the cockpit.

Lying in Pittwater and ready to sail away now.
