Description

Leni is a One Owner 3 cabin Lagoon 400 that was commissioned by her German owner to be able to sail mainly single handed from Europe to Australia.

This model set new standards and the 2011 Lagoon 400 is located in Pittwater, Sydney and is now exclusively for sale with DBY Boat Sales.

This model has been proven to be seaworthy and reliable backed up by her substantial production run which ran from 2009 to 2017.

Its spacious layout, particularly the 3 cabin owners version, set new standards in the 40ft multi class and became one of Lagoon's most popular models of all time.

LENI was stored for the last 3 winters in French Polynesia and Fiji and underwent a substantial refit in 2023. Her outer topsides are a blue protective wrap which can if you wish be quickly removed back to original white.

She presents as lightly used with only 2000 hours on the motors. Her rigging was replaced in 2023.

Every box was ticked in her options including teak cockpit table, bridgedeck underfloor storage, lithium battery bank, wind, solar hydro for offgrid extended living.

She even has 3 anchor options to cover all bases.

This catamaran is a gorgeous Lagoon that is worthy of an inspection.

For full inventory plus more photos and/or to arrange an inspection call +61 2 9999 3311 or email sales@dbyboatsales.com.au

Features

Builder	Lagoon
Water (Potable) Capacity (l)	600
