Description

Lagoon 400 - NOW \$509,000 - Just Reduced! MOTIVATED SELLER!!

Lagoon 400 LENI is a One Owner 3 cabin version that was commissioned by her German owner to be able to sail mainly single handed from Europe to Australia.

This model set new standards in spaciousness and performance. She is a 2011 model and is located in Pittwater, Sydney. Leni is now exclusively for sale with DBY Boat Sales.

This model has been proven to be seaworthy and reliable backed up by her substantially long production run which ran from 2009 to 2017.

Its spacious layout, particularly the 3 cabin owners version, set new standards in the 40ft multi class and became one of Lagoons most popular models of all time.

LENI was stored for the last 3 winters in French Polynesia and Fiji and underwent a substantial refit in 2023 including new trampolines. Her outer topsides are a blue protective wrap which can if you wish be quickly removed back to original white.

She presents as lightly used with only 2000 hours on the motors. Her rigging was replaced in 2023. The internal cabinetry and flooring shows particularly low use.

Every box was ticked in her options list including teak cockpit table, electric winches, wind and solar for offgrid extended living.

She even has 3 great anchor options to cover all bases.

This catamaran is a gorgeous Lagoon that is worthy of an inspection.
