## Description

2010 Lagoon 440 Owners Version is now for sale with DBY Boat Sales.

The Lagoon 440 Cruising catamaran is known as one the most popular catamarans ever built. She has been the most successful distance cruiser of all the Lagoon range over the years and for very good reason. The Lagoon 440 provides ultimate comfort, good performance, as well as proven sea-keeping qualities.

This 3 cabin owner version has recently arrived in Australia after a 12 month cruise from Europe.

The stability and comfort on the ocean or a rolling anchorage in a catamarn is paramount compared to a monohull. Plus the access to shallow and well protected beaches where dangerous reefs prevent most monohulls to seek shelter is a huge advantage. The interior provides amazing volume of accommodation and privacy for owner and guests plus a sensational galley and huge salon, not to mention the seating/dining area on the back deck.

The owner's side of the boat includes a magnificent double cabin, with sitting area, followed by a very large head / shower. Designed for extended cruising and life on board, the storage capacity is huge, and includes many dedicated lockers, drawers and hanging lockers in every cabin and living areas.

Australian registered and full imported she is ready to sail away into the Pacific or Cruise Australian waters.

Complete electronic package updated in 2017 with Radar and AIS. Fully Air conditioned with 9 KVA generator. She has a big capacity Watermaker plus ample solar and a new mainsail in 2017.

The 440 is well known for her effortless performance and comfortable ride. It is very common for this design to arrive in Australia sailed by only a couple. This beautiful catamaran is well set up for shorthandling and extemely sought after so won't last long for sale.

---

## Features
