Description

Sailing catVELOCITY is a stunning 2008 model, Lagoon 440 in the popular 4 cabin layout.

Exclusively now for sale with DBY Boat Sales.

Lagoon 440's are known to be amongst the most popular catamaran ever built, only superseded after 10 years of production by the next generation of the 450. She has been the most successful distance cruiser of all the Lagoon range over the years and for very good reason. The Lagoon 440 provides ultimate comfort, good performance, as well as proven sea-keeping qualities.

This 4-cabin version is Ocean ready and lying Pittwater, Sydney seeking new owners for her next voyage.

The stability and comfort on the ocean or a rolling anchorage in a catamaran is paramount compared to a monohull. Plus the access to shallow and well protected beaches where dangerous reefs prevent most monohulls to seek shelter is a huge advantage.

The interior provides amazing volume of accommodation and privacy for owners and guests plus a sensational galley and huge salon, not to mention the seating/dining area on the back deck, largely undercover and protected from the elements.

All 4 cabins are about the same size and have private large head / shower. Designed for extended cruising and life on board, the storage capacity is huge, and includes many dedicated lockers, drawers and hanging lockers in every cabin and living areas.

Fully imported, she is ready to sail away into the Pacific or Cruise Australian waters.

Quality Raymarine electronic package with Bluetooth connectivity and AIS plus Starlink internet wifi ranger-wifi booster. Mase 10 KVA generator. A massive solar array charges the Lithium bank of batteries which easily powers everything, including all of the cooking equipment so there is no lpg onboard.

Wired for both 110v and 240v via a Charles ISO transformer. She has a big capacity Watermaker, rigging replaced in 2017, sail wardrobe of 4 sails are all in good condition at a mix of around 5 years of age.

The 440 is well known for her effortless performance and comfortable ride. It is very common for this design to arrive in Australia sailed by only a couple with 4 young children. This beautiful catamaran is well set up for short-handling and is extremely sought after so won't last long for sale. Comes complete with all the additional spares, typical of a long range cruising yacht, engine parts, stocked galley ready to use, too much equipment to list.

Exclusive to DBY Boatsales, call or email to arrange an inspection 02 9999 3311, sales@dbyboatsales.com.au
