Description

Leopard 39 ZEDNA 3 cabin Owners Version from December 2011 is exclusively for sale with DBY Boat Sales.

Price Reduced!! Motivated Seller!!

Discover a catamaran designed for both performance and luxury. The Leopard 39 Owner's Version features a full-length starboard hull dedicated to the owner with a queen-sized berth, a dedicated study, abundant storage, and a sumptuous ensuite with a spacious shower. Perfect for extended cruising or working from home whilst sailing at sea.

In the port hull, you'll find two comfortable guest cabins and a shared bathroom, offering excellent guest accommodations without compromising privacy.

The raised helm station, protected by a hard-top, provides excellent visibility and direct control: both main and jib sheets are led to self-tailing winches within reach. With its ergonomically designed cockpit and spacious galley, entertaining aboard is effortless — the saloon flows naturally, with a U-shaped settee, panoramic windows, and a practical, well-appointed galley featuring Corian bench tops and generous pantry storage.

Below decks, the interior is light, airy, and well ventilated. Large hatches and ports, plenty of reading lights, and thoughtful layout contribute to a comfortable living space.

The current owners have enjoyed a lengthy cruise from the Caribbean and the boat comes loaded with many cruising goodies such as solar, lithium batteries, watermaker, large volume tankage and asymmetrical downwind sails, extensive safety equipment, tools and dedicated boat spares to continue any length voyage.

Built with strength and insulation in mind, the hull is constructed from a GRP-balsa sandwich, while the deck offers a non-skid surface for safety. Powered by twin Yanmar inboard engines, the Leopard 39 is easy to manoeuvre, while still delivering the performance and reliability you expect of a well-designed sailing catamaran.

Whether you're planning a weekend escape, a long passage, or a liveaboard lifestyle, the Leopard 39 Owner's Version delivers versatility, comfort, and style — all in a highly manageable 39 ft package.
