Description

Leopard 48, Miss Kayo, proudly offered for sale with DBY Boat Sales.

REDUCED! MOTIVATED SELLER! MAKE AN OFFER!

Leopard 48s award winning design is focused on a compelling combination of blue water performance and comfortable living. Her modern lines, open floor plan and elegance set a renowned standard for modern cruising.

This beautifully presented 2017 Robertson and Caine Leopard 48 is a four cabin version and features an aft main cockpit deep and well protected with U shape bench around a large table on portside and hlm post on starboard. A smaller cockpit is forward of the coach roof with direct access to the salon. The raised helm station with easy access to the cockpit and side deck allows for shorthanded sailing while not separating the helmsman from family and friends.

You will be impressed by the interior of this Leopard 48 which provides both comfort and practicality. Up to ten people can be accommodated around the dining table which folds in to create more space and a relaxed coffee table feel. The table also converts to a double berth.

The well-equipped galley is conveniently located between the outdoor and indoor living spaces with easy access to the helm, aft cockpit, saloon and forward cockpit. It is fully equipped with three burner gas stove, gas oven, microwave, sink, flip mixer and ample workspace and storage.

Below decks, everyone will enjoy luxury as there are four double staterooms, each complete with their own ensuite facilities. Six opening deck hatches ensure great light below and provide fresh air through the boat, or on those hotter days, fire up the air conditioning for a cool nights sleep. A truly impressive package.

At sea, the Leopard 48 shows why it retains a reputation for fast passage-making in comfort. She is a generous, stable platform and is rigged to perform with a minimum of crew. Electric halyard and main winches ensure the hard work is a finger touch away. Your travels will be supported by a comprehensive electronics package, including Raymarine chartplotters - at helm and Nav Table, Autohelm with remote, VHF and Radar.

The twin Yanmar 57HP motors were last serviced in March 2024.

The foredeck features substantial storage in large lockers, plus full height lockers at the bow, to port and starboard. The aft cockpit features comfortable seating and a large table for alfresco dining. A substantial stainless davit system ensures you can stow and easily deploy the 3.3m dinghy. Ideal for exploring anchorages or entertaining the kids.

Whether you desire to cruise the local bays, spend weekends with the family and friends, or see the world. The Leopard 48 is a platform that can help you realise your ambitions. Consider the comprehensive inventory for this catamaran.

ROBERTSON AND CAINE BUILDER REMARKS:The award-winning Leopard 48 offers blue water performance and comfortable living spaces; this catamaran is a popular member of the Leopard line.

The Leopard 48 features a large forward cockpit with direct access from the saloon and a stairway to the forward

platform. Other exterior bonuses include a large and open aft cockpit with cockpit table. A raised helm station, providing excellent panoramic visibility, allows for excellent blue water maneuverability.

The galley of the Leopard 48 comes well equipped with ample prepping space. The expertly-designed interior makes sailing not only fun, but also incredibly comfortable. her modern lines and open floor plan set a new standard for the modern cruising catamaran.

An inspection of this vessel is highly recommended to fully appreciate what she has to offer.
