## Description

2005 Luhrs 41 now for sale exclusively with DBY Boat Sales.

Launched in 2005 the Luhrs 41 Convertible was one of the most serious and luxurious flybridge sportfishing boats of her day.

A massive stateroom forward with island queen size bed and private ensuite. On the starboard side is a private double plus a general use bathroom.

Entertainers delight in the massive U-shaped galley with abundant storage and refrigeration. Very light and open layout into the salon area where the lounge cleverly converts to another queen-sized bed when required. Reverse cycle air conditioning is a nice bonus.

Engine room is neat and tidy with excellent access to the dual 625HP Cummins QSM 11 shaft drive diesels. She cuts through the water cruising at 20 - 24 knots and when you open the throttles LOOSE CREW will reach 30 knots. House and engine batteries are just aft of the main engines and the Onan Gen set sits to the starboard side.

In the cockpit, 8 game rod holders sit neatly concealed within the teak coamings, a dedicated fish fighting chair with wide footrest, dual arm rests and 4 rod holders. Massive live bait wells, kill tanks, opening transom door for big game, new clears on the flybridge area, dual game poles/outriggers.

On the flybridge there is two helm chairs on pedestals, a double seat to port and another generous, forward-facing double with a full-size sun lounge forward of the helm to starboard.

If you are looking for a serious fishing boat with the added luxury for time away with the family, then look no further.
