Description

Kingfisheris a 1986 Mariner 3400 Flybridge Cruiser and is for sale in very tidy condition.

Widely respected for being a sound performer at sea with a beam of 3.79m, stability, predictability, ease of handling, and very responsive to helm and throttle.

Her twin 165hp TAMD40B Volvo turbo diesel engines are immaculately maintained and give the Mariner 3400 comfortable cruising at 20 knots or more.

The internal space is excellent. The layout and decor of the 3400 gives great two cabin comfort. The head compartment has a separate screened shower. With convertible seating in the saloon she has the capacity to sleep six persons.

The good size galley is midships. The saloon is a very bright and spacious area. A very roomy dinette is situated to port and there's an entertainment unit along the starboard side that includes TV, stereo and cocktail cabinet.

Kingfisherboasts a really nice bimini top, cockpit shade canvas, and windscreen shade cloth as well as a 2018 Shearwater 2.8m inflatable dinghy and Suzuki 5hp 4 stroke outboard. This neatly looked after Mariner 3400 flybridge cruiser is well worth your inspection.

Features

Builder	Mariner Cruisers
