## Description

This fully carbon 2009 Marten 49 yacht for sale is a very successful offshore cruiser racer in Western Australia. A HUGE price reduction to \$670,000 from \$799,000 makes the Marten 49 ready for a performance oriented buyer.

One of her local sister ships was a line honours finisher in a recent double hander Melbourne to Osaka race. The other sister yacht first outing on the European racing circuit with a totally new crew won the team the Challenge Nucci Novi Trophy in the Giraglia Rolex Cup.

Before being offered to the market she underwent a complete check of all her systems including electrical, hydraulic, engine, sails, mast and is newly antifouled, whatever needed fixing was fixed.

She is sporting 3 new sails and certificates on all the systems are available. The crew is also ready to showcase her to the privileged. She comes with a set of delivery sails or can be trucked over East in a few days to compete in the 2014 Hammo Island race.

Currently restless in Fremantle, she is straining at her mooring to sail and would be a great prospect to enter in the proposed World ARC for the next lucky owner.

Have a look at this link.....<https://www.youtube.com/watch?v=7a3QI2RRCzI>
