Description

This 1989 Martzcrafft 35 sloop, in well above average condition, and with many upgrades being completed over the last few years, is now for sale. The best example of this very popular model yacht that we have seen.

She is well set up for coastal cruising and has had numerous coastal trips including a recent one to far North Queensland.

A brand new Volvo 30hp engine was fitted in 2008 and has 520 hrs on the meter with excellent service history as does the rest of the boat. The engine was freshly serviced last month and antifouled in February 2015. The rigging is 4 years old as is the Mainsail.

Solar power x 180 watts to charge near new house and engine batteries. The hull was soda blasted back to gelcoat and epoxy coated in 2013. All receipts available.

500 litres of water available and 180 litres of fuel.

Accommodation options for up to 6 in comfort. The large aft cabin is a well-known and sought after treat on these models. Hot and cold pressurised water to the head plus a deck mounted aft shower also. An electric toilet was fitted in 2011 along with a holding tank.

New dodger and sun awning 2015. 2014 Autopilot and AIS receiver fitted.

Loads of quality safety gear, all in service and plenty of spare parts included. Ready to go and inspections will impress.

Features
