Description

This is a lovely 1991 Martzcraft 35 for sale in near unused condition. She has been a labour of love for the owner, who has been building her since 1986.

Everything is done, with only some electrical work yet to be completed.

This is a rare offer on an almost new Martzcraft 35, since Brent Martz is no longer making these models.

Highly sought after by those looking for a spacious ocean cruiser, weekend aboard or even live aboard.

Built to a Bruce Roberts design, this hardly used boat has never been sailed outside Botany Bay.

She is beautifully finished and fitted out, and it is undisputed that Brent Martz does the best fibreglass work in the business. This is the last hull and deck he built before selling Martzcraft.

If you are looking for a Martzcraft 35 or perhaps a Southcoast 36 she is a must see.
