Description

This 1986 Martzcraft 35 foot ketch, a proven ocean going, full length keel cruising liveaboard in excellent original condition is now for sale on Pittwater.

A recent antifoul, topside polish, and engine service has now made her immediately ready to go sailing.

The aft cabin is as big as most 40 footers and provides accomodation for 6 in total.

A near new engine, Volvo Penta 40hp, with only around 100 hours since the install.

A very generous sized head with good headroom throughout the entire boat.

This Martzcraft 35 has a generous sail wardrobe, pressurised hot/cold water, and a large very useable galley layout.

She was built to NSW survey requirements in 1986.

Club maintained vessel and well worthy of an inspection.

Located just near our Pittwater office and available to inspect 7 days a week.
