Description

2002 Martzcraft 46 now available for sale.

If you've been searching for a true blue water yacht like a Hallberg Rassy or Island Packet then you should not go past this Martzcraft 46.

Two cabins each with their own enclosed shower and toilet.

The owner's rear berth is huge with a queen size island bed and plenty of storage.

She was originally built to survey for her current owner for corporate training events but never actually used so she is built tough but had little use.

A large comfortable teak saloon is great for entertaining and she has a lifting keel for those shallow water retreats.

Low hours on the 55hp Volvo Penta engine.

These yachts do not come up very often and this one is in immaculate condition so don't delay.

Call our Pittwater office to arrange an inspection.
