Description

Millkraft built timber 27ft cabin cruiser from circa 1970 era is a great boat for a couple to get away on. Exclusively for sale with DBY Boat Sales, "GUMNUT" built with generous use of spotted gum, is powered by a Ford Thornycroft 50hp diesel inboard, shaft driven. Her cockpit area is huge for a 27 footer and can easily accommodate a table with 4 deck chairs under the stainless frame and bimini sun protection. The swim platform on the transom makes for super easy water entry/exit. The galley is very basic but does have cold fresh water tank and pump, stainless sink and a portable cooker for tea and coffee. The galley could be improved by the new owner to make a very comfortable day boat or basic overnighter as the forward cabin is very beamy and sleeps two easily. A camping style toilet is included. The forward facing captains chair has commanding views over a relatively basic dash area and large forward deck area. The two windows in front, slide open for fresh air/ventilation. A large solar panel on the roof, takes care of all battery management whilst on the mooring and of course there is engine charging once underway. A head turning classic putt putt from a great era.

Arrange an inspection 02 9999 3311 or sales@dbyboatsales.com.au

Features

Designer	Millkraft
Builder	Millkraft
Water (Potable) Capacity (l)	60
Hull Construction Material	Timber
