Description

Mottle 33's are highly regarded, and this high-sided version is without a doubt, the best one on the market. This immaculate 1985 Mottle 33 Mk II high sided model is now exclusively for sale with DBY Boat Sales.

Built to survey class 4E, a fastidious long-term owner has kept her in excellent cruising condition.

The Mottle 33 boasts a huge aft cabin, centre cockpit and well-designed main saloon layout with loads of warm varnished timbers and impressive storage areas.

The aft cabin is cavernous and very private. There are 6 berths in total. Hot and cold water pressure throughout makes this a very comfortable boat for all aboard.

A very nice galley layout with 4 burner gas cooktop and oven. A large deep chest style eutectic fridge.

Powered by a 28hp Volvo Penta model engine with saildrive.

An excellent service history and the last engine service was done in September 2022.

These vessels are renowned for their sailing characteristics and extensive room below decks which makes them a great choice to liveaboard.
