This beautifully kept 1996 Mustang 3800 flybridge cruiser, with 2 near new 250 Hino (developing 304hp each) engines, is now for sale exclusively through DBY Boat Sales.

The feeling of space is immediate when you first step onto the large marlin board swim platform. This is an ideal spot for the kids to soak up the water and have easy access in and out.

Moving up the ladder from the aft cockpit level deck area. There is a large U shaped rear facing lounge chair that faces the upper helm station. The helm station has two forward facing cushioned armed chair seats. It has a large flybridge area with a full electronic package including Fish finder, GPS and Auto Pilot. Opening polycarbonate clears with solid fronts and a solid sliding, opening in the centre in the rear giving a 360-degree wraparound views.

Entry to the main saloon is from an aft sliding door. The main saloon has a spacious lounge that converts to a double bed, with a single lounge (that will convert to single bed) on the opposite side.

Access to the twin 250 Hino engines (developing 304hp each) and Generator is also aft via a hatch door. Re-powered in 2016 by twin economical Hino 304hp diesel motors, giving reliability and affordability of maintenance. Approximately 350 hours on the new engines.

Moving forward from the saloon is the galley which has a fridge/freezer, microwave and a stove, there is large bench space with some good stowage.

Stepping down some steps to the port side is the private twin cabin mid-ships, forward accommodation has a private double V-berth and on the starboard side has a fully enclosed shower, electric toilet with holding tank and vanity.

Outside of the boat, there is walkways down both sides with sturdy stainless-steel railings all the way around for ultimate safety. The foredeck is a very large flat area with a near new tender that has a 15 hp Outboard that has very little use, 12v davit crane which makes for easy for launching. 2 Fenders stow in stainless baskets on the rails.

This is an outstanding offshore fishing boat or fun cruiser for your family. This vessel will not last long. Book for your inspection now.
