Description

This 1976 immaculate Najad 34 is now for sale. A unique sailing boat for the all weather sailor providing a comfortable way of living at sea.

The Najad has been designed by an experienced naval architect without consideration to the rating rules but with an understanding of the laws of nature and an eye for beautiful lines.

The Najad provides generous accommodation below without distorting the appearance. Consequently, the Najad is both attractive and spacious.

The lines of the Najad speak to her speed but disguise the robust build with an unusually well reinforced hull.
