Description

1983 Nantucket Island 33 for sale with DBY Boat Sales. Huge price reduction!

This hard to find Peter Cole designed Nantucket 33 has one of the most popular layouts of any sailboat in today's market.

The Owner's stateroom is aft and features a large double berth, privacy door, hanging locker, opening ports and hatch to insure ventilation and plenty of storage. Next forward and to the starboard is a head, with mirror, vanity, pressure water, shower and plenty of ventilation. Continuing forward and to the port is the galley across to the starboard is the navigation station with plenty of room for books, electronics and charts.

Continuing forward is the main salon with U-shaped dinette to port which can be made into a third double bunk. Across and to the starboard is a straight settee. All cabin areas are light and airy with opening ports and large deck hatches.

The interior is lavish with teak joinery, varnished teak and spruce sole. The guest stateroom is forward with a V Berth, and storage compartments.

Her flush deck offers uncluttered working space at sea, and plenty of lounging spaces in good weather. The large cockpit with high combing is comfortable and spacious.

Below decks, her two-stateroom and large interior is very open with an airy feel. Three hatches, dorades, ten opening ports and three fans provide plenty of ventilation. All berths are over 6'3" in length.

Features
