Description

Nautitech Open 46

2019 Nautitech Open 46 'ASGARDIA' exclusively for sale with DBY Boat Sales.

ASGARDIA is a luxurious and spacious catamaran that will give you a true sailing experience without sacrificing comfort.

This boat will suit a new boat buyer looking for a ready to go, fully equipped and beautifully presented example of this very successful model.

She is completely ready to cross oceans. Successfully sailed out from Europe, no expense has been spared in her inventory to ensure a fast, comfortable and safe passage. Volvo powered fuel efficient sail drives which are very well maintained and showing 2,400 hours.

This 3-cabin owner version shows no wear and tear. Everyone inspecting will love the bright, dry and airy feel that her current owners have enjoyed immensely. The spacious cockpit and living areas are combined to ensure maximum space in the outdoor/indoor living area.

The 2019 Nautitech Open 46 is a highly regarded performance cruising catamaran that successfully combines offshore sailing capability with luxurious liveaboard comfort. Designed by renowned naval architect Marc Lombard, the Open 46 features Nautitech's innovative "Open Concept" layout, seamlessly integrating the cockpit, saloon, and galley into one expansive social and entertaining space. This design has made the model a favourite among serious cruisers seeking both sailing performance and practical long-range cruising comfort.

This owner-focused catamaran offers exceptional accommodation, abundant natural light, and impressive ventilation throughout. Large panoramic windows provide excellent visibility from the saloon while creating a bright and welcoming interior. The spacious cockpit comfortably accommodates family and guests, making it equally suited to coastal cruising, extended passages, or life aboard.

Twin helm stations aft deliver excellent visibility under sail and during docking manoeuvres, while the balanced sail plan provides rewarding sailing performance in a wide range of conditions. With a beam of 7.5 metres, a displacement of approximately 10.8 tonnes, and efficient twin diesel sail drive engines, the Nautitech Open 46 is well known for its blend of speed, comfort, and seaworthiness.

Whether your plans include coastal adventures, extended bluewater cruising, or simply enjoying weekends away with family and friends, ASGARDIA represents a rare opportunity to acquire one of the most sought-after cruising catamarans in her class.

Key Features:

- Marc Lombard performance cruising design
- Innovative Open Concept saloon, galley and cockpit layout
- Twin aft helm stations with excellent visibility
- Spacious owner and guest accommodation
- Exceptional natural light and ventilation throughout
