Description

1984 Northshore 27 now for sale with DBY Boat Sales.

Northshore 27's don't come any finer than this one.

A brand new Volvo 15hp saildrive was fitted in 2020 and presents immaculately.

This yacht has been pampered throughout her life. Recent upgrades also include the standing and running rigging, replaced in 2020, new canvas for the spray dodger, boom bag and bimini.

A great success story for designer Hank Kaufman and Australian builder North Shore Yachts was the Northshore 27. This one is amongst the last to have been built and presents in pristine condition.

This particular boat is a great example of the popular club racer and family cruiser with sleek hull lines and good volume down below.

With her fully enclosed head, fold away saloon table, cockpit cushions, gimballed Methylated Spirits stove and separate ice box, she is a great family getaway or club racer with a few mates in the large cockpit.

She is simple to handle by one or two with all control lines leading back to the cockpit, hanked headsail for easy changes and boom bag for mainsail storage. A retractable stainless steel swim ladder hangs off the transom for easy water access

With the recently installed brand new Volvo 15hp diesel and bronze 3 blade fixed prop, main & headsail plus several additional jib sizes in good condition and a spinnaker that's seen little use this boat is ready to go.
