Description

Northshore 30, designed by Doug Peterson and one of the last to be built by Northshore yachts launched in 1996 is now For Sale exclusively with DBY Boat Sales.

The recent 2021 survey is available, report reads very well and would be suitable for insurance purposes.

A Nanni diesel 2 cylinder engine presents in perfect condition with a low 502 hours showing on the meter.

The yacht was slipped and anti fouled mid February 2023 with an engine service being carried out mid 2022 so she is turn key and ready to enjoy.

The sail wardrobe presents as mostly lightly used and recent. Main and Genoa are 2018 and almost look like new.

Sugarscoop style transom with integrated swim ladder makes for easy water access whilst increasing the overall waterline length.
