Description

1987 Northshore 33 for sale. One of Australia's most popular performance cruising sailboats.

The owner of Silver Spray had planned to go cruising the Barrier Reef and live on board. With this in mind the boat has undergone an extensive upgrade to ensure maximum safety and comfort.

The open layout offers ample berths and is equipped for coastal cruising with current Raymarine plotter and autopilot, dodger, windlass and holding tank.

Bottom painting and topsides done and new Batteries March 2015. Rigging replaced in 2010. Surveyed March 2015.

The engine was upgraded in 2001 with a 30 hp Volvo diesel.

Changed circumstances have necessitated that the boat be sold.

There are really not many items in the inventory that have not been upgraded or replaced.

A great boat for local sailing or cruising the east coast.

Features

Water (Potable) Capacity (l)	300
Length (feet)	33
Number of Helms	1
