Brand new stainless rigging including chainplates, antifouled, engine serviced all in November 2017.

Nothing to do but turn the key and go sailing on this pristine example of a 2 owner boat that has been meticulously cared for. It lives on a club berth and is very easy to inspect.

The Nanni diesel has been serviced recently and also was converted to have a fresh water flush system connected which ensures the internals are in great shape. This is yet another example of the immaculate care this vessel has been receiving.
