Description

1984 Northshore 38 now for sale exclusively with DBY Boat Sales.

Liberty is a classic example of well-known and highly regarded Australian built NorthShore yacht.

She has a proven off-shore sailing record including several Sydney-Hobart races. This Northshore 38 one of the best examples we have had for some time of this popular race-cruiser. Liberty is set up very well for short-handed distance cruising with furling headsail, mainsail in lazy jacks, anchor winch and autopilot. A lead extension is fitted to the keel for extra performance and stability.

Her cockpit has a nice bimini for protection and with solar panels discretely mounted above. She has a larger drop-down boarding platform on the stern. An inflatable Zodiac dinghy is also included.

Her interior is beautifully presented as is her 20hp Bukh diesel motor.

The owner, apart from cruising, participates in weekend racing so she also has a good suite of sails and running gear.

All in a perfect package with nothing to spend.

Features

Designer	Kaufman
Builder	Northshore Yachts
Water (Potable) Capacity (l)	200
Hull Construction Material	GRP
Hull Type	Mono sloop
Deck Construction Material	GRP
