Description

1988 Northshore 46. This modern 46 foot production yacht is incredible value and is available now for a fast sale.

This well-known design features a clean, spacious and bright interior with accommodation up to 10.

The dining table easily sits 8 and the table does go down to make a large double berth.

To starboard we have a well laid out galley with plenty of storage and counter space.

She has a furling headsail, boombag and lazy jacks for ease of sail handling with auto pilot for shorthanding.

The motor is a brand new 55hp Volvo diesel so for those who want reliability you could not want for more.

She does need a new mainsail and maybe an upgrade in some of the electronics but is priced accordingly.

A very clean and honest boat that will bring years of fun for the new owners.

Features
