Description

1981 Ted Brewer designed Oceanic 46 now for sale with DBY Boat Sales. Deceased estate.

This rugged pilothouse design has a reputation of being easily handled at sea in all conditions. She is a high quality build with fully encapsulated keel with skeg hung rudder.

If you have dreams to do some serious offshore adventuring and world cruising Wanderer, with just a little work, will fulfil your needs.

Here internal volume is very impressive. The interior is mostly complete and renovated however needs some further work to complete her totally.

She has inside and outside stations and controls. Interior steering and modern Raymarine pilot are installed but do need some completion to work.

Having just sailed her shorthanded from Yamba to Sydney I can say that the Ford Lehman diesel was amazing as was all the sails and running gear. Her cockpit was extremely dry and comfortable.

She has all new covers, bimini and dodger.

Anchor winch and system worked great.

She does need some work on some of the hatches with some leaking.

Priced for a quick sale this is serious value for money .A great liveaboard with dream potential.

Features

Designer	Ted Brewer
Builder	Andrew Panoce
Water (Potable) Capacity (l)	1000
Hull Construction Material	Fibreglass
Hull Type	Modified long keel mono.
Deck Construction Material	Teak
Country Origin	Taiwan
