Description

Passport 40 SERENITY exclusively for sale with DBY Boat Sales.

REDUCED!! MOTIVATED SELLER!!

The Passport 40 is a 40-foot (approximately 12 m) solidly constructed fibreglass sailing yacht built by Passport Yachts with a commanding reputation for seaworthiness and reliability.

This 1985 version is undoubtably the best one in Australia and has been upgraded to the highest level.

Many of the upgrades are so new that they have not even been used yet.

Designed by renowned yacht designer Robert Perry, it's built as a performance-cruising yacht with blue-water capability and luxury cruising appointments.

Specifications and features:

- LOA: ~40 ft (12 m)
 - Beam: ~12.5 ft (3.8 m)
 - Draft: ~5'8 ft (1.6 m)
 - Displacement: substantial for its size, designed for offshore comfort
 - Engine: Diesel inboard Yanmar, serviced November 2025
 - Construction: GRP hull with quality joinery and extensive teak interior
-
- Blue-water ready: The Passport 40 has earned a strong reputation for offshore capability and sea-kindly motion. They perform well in light winds for a heavy displacement cruising yacht and downwind track well enough for spinnakers under light helm or self-steering.
 - Quality construction & design heritage: With Robert Perry's design and Passport Yachts' build standards, these boats are sought for their durability and performance.
 - Comfort and luxury: The warm and inviting layout includes a large saloon with U-shaped dinette and the nicest dining table we've seen, robust sea friendly galley with NSW gas certified stovetop and oven, pullman queen sized

bed forward, very large forward bathroom area with new electric head. Aft to port side is an ideal double sea berth right close to the helm area. Extensive teak finish throughout, furniture and craftsmanship quality cabinetry provides an upscale feel.

• Upgrades: The mainsail is a Rolly Tasker fully battened main in a new canvas boom bag and along with the roller furling headsail, they are almost brand new. The Rocna anchor and chain are brand new and have never seen use. The electric windlass is overhauled and features up/down deck controls. All skin fittings have been replaced by Trudesigns. The Raymarine package of electronics is extensive and brand new. New AXIOM+ 9RV, Multi-function 9" Display with integrated RealVision 3D, 600W Sonar.

Standing and running rigging are late 2019.

Date of last antifoul: June 2025

Lying Pittwater, Sydney, it's a turn key boat in stunning condition seeking new adventures.

Inspection highly recommended to appreciate all that this well maintained and upgraded Passport 40 has to offer.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please email sales@dbyboatsales.com.au
