Description

Passport 40 - exclusively for sale with DBY Boat Sales.

Designed by legendary yacht designer Robert Perry, the Passport 40 is widely regarded as one of the finest fast cruising yachts ever built. Evolving from his groundbreaking Valiant 40, Perry created a yacht that perfectly balances performance, strength, and comfort, qualities that have earned the Passport 40 a devoted following among serious bluewater sailors worldwide.

Built at the prestigious King Dragon Shipyard during the golden era of Taiwanese yacht craftsmanship, each Passport 40 was constructed with exceptional attention to detail and signed off by master shipwrights. Mana Wai is a superb example of this heritage: beautifully maintained, extensively upgraded, and presented in genuine turnkey condition.

Proven Bluewater Pedigree and Ready for Adventure

Mana Wai is not just a yacht of reputation; she is a yacht of real-world cruising achievement. Her current owners sailed her from New Zealand to Australia via New Caledonia, and extensively along Australia's east coast between Sydney and the spectacular Whitsundays. She has proven herself to be fast, exceptionally seaworthy, and comfortable in all conditions.

Recently re-powered with a reliable Volvo Penta D55 engine with only 1,050 hours, she offers dependable motoring performance to complement her outstanding sailing ability.

Warm, Elegant Interior with True Offshore Practicality

Stepping below deck, you are welcomed by a rich, solid teak interior, timeless, warm, and built to last generations.

The signature Robert Perry galley is both practical and social, featuring:

- Four-burner stove with oven
- Large fridge and separate freezer (top and front opening)
- Double centreline sinks with fresh, salt, and filtered water
- Generous bench space and abundant storage

The layout offers excellent liveaboard comfort, with:

- Spacious head with electric toilet
- Separate shower stall that doubles as a wet locker
- Dedicated navigation station equipped with Icom Inc. VHF, Iridium Communications satellite phone, and Sony Group entertainment system

Storage throughout is exceptional, making extended cruising effortless.

Performance-Oriented Deck and Rigging

Mana Wai has been thoughtfully upgraded to a cutter rig, delivering versatility and confidence offshore. Features include:

- Headsails on furlers for easy handling
- All lines led aft to the safety of the cockpit
- High-performance mainsail from Calibre Sails, associated with America's Cup campaigns
- 135% genoa and staysail for optimal sail combinations

The fully integrated navigation suite includes premium B&G electronics with:

- Chartplotter
- Radar
- AIS
- Wind, speed, and depth instruments
- Wi-Fi connectivity via NMEA 2000 network

The cockpit is secure, dry, and comfortable, perfect for passagemaking or relaxing at anchor.

Turnkey Opportunity - A True Bluewater Classic

Mana Wai has benefited from meticulous ownership, continuous upgrades, and proactive maintenance. She represents a rare opportunity to acquire a legendary offshore cruiser that combines pedigree, performance, and comfort in equal measure.

At her asking price, Mana Wai offers exceptional value and the chance to own and sail one of the most respected bluewater cruising yachts ever built.

Mana Wai is ready now for her next adventure.
